### 2009 Celebrity Invitational Highlights

As in the past 8 years, this year's Golf Outing was held at *The Huntington Crescent Club*, on Monday June 8, 2009

The day started with breakfast and registration, followed by shotgun start at noon. All foursomes were paired with a celebrity. **Gary Carter, Bob Nystrom, and Garth Snow** were among some of the celebrities that participated.

A wine tasting display by *Baiting Hollow Wineries* was enjoyed by all.

*Dr Stan Velkovitch* provided "adjustments" as the players returned to the locker room.

Our Chinese Auction was a huge success. The Baskets were stunning, and full of wonderful items such as a BBQ Grill, donated by *Appliance World, NBC Studio* tour, and many gift certificates donated by local merchants such as *Cactus Salon & Day Spa, Golden Dolphin, and Besito Restaurant*, just to name a few.

*Paul Madden*, a talented artist from Michigan, designed and painted a beautiful picture of Clark on one of his Islander Jersey's, which was later auctioned off.

Topping off the day's festivities was our *Live Auction*. A great bunch of items, like a round of golf at *Old Memorial*, a foursome with Clark at *Bethpage Black* (home of the 2009 US Open) and a Florida Golf trip were auctioned. A great time was had by all.
